

Representing Full-Time and Partial-Load Professors, Counsellors, and Librarians at Seneca College

BePrepared

A strike is not inevitable, but we all need to be prepared. There are a number of things you need to do.

If you are Full Time or Partial Load, and have signed a membership application, then you can go the membership portal at <http://members.opseu.org> to update your information, including direct-deposit and dependant information -- both of which are necessary to receive strike pay.

Sign Up for Strike Duty at the GMM

If you have never signed a membership application, then you need to do that before you can go to the membership portal. Instead, go to: <http://opseu560.org/strikeprep> where you can complete two PDF forms.

Lastly, come to the GMM on 11 October 2017 with your direct-deposit information, and sign up for strike duty. In order to be paid strike pay you must sign up, and you must also give the Local your direct-deposit information.

STRIKE CAN START

While we all want a negotiated settlement, this is looking increasingly unlikely. A strike or lockout could happen as early as 15 October. Be prepared: <http://opseu560.org/strikeprep>
