Hey Union—What'll My Pension Be?

Wondering what your pension would be on retirement? There is a quick estimator available through your union website. It's pretty easy and it's quick. Use your last pension statement for your personal estimate.

Go to **opseu560.org**. Scroll down the left banner until you get to **Salary&Pension**. Click on **Pension**, and then on **CAAT Pension Plan Pension Estimator**. That will open the CAAT estimator which will guide you to your personal estimate.

Did you know?

That Angela James, recent inductee to the Hockey Hall of Fame, one of the very first women so honoured, is a Seneca College support staff member, a senior sports coordinator. Angela is also a former steward of Local 561.

Our congratulations to Angela for this fabulous and much deserved honour.
